

CLINICAL ROTATIONS

The desirability of providing students with enrichment to their learning experience through affiliations with other health care institutions is recognized by MTSA. Accordingly, ALL students should be prepared to affiliate at a variety of institutions in the Nashville area and elsewhere, to include Kentucky in most instances, on a rotating basis. MTSA does not pay student stipends. Students will be assessed a clinical fee at the beginning of the 6th semester. (See *Financial Aid section*)

MTSA retains the right to change affiliations, rotation schedules, or length of rotations at any time. Students will be given as much advance notice as possible.
