

# FACILITY ACCESS

Students are provided electronic keycards that enable secure access to all buildings on campus during their first semester. For security purposes, all doors to campus buildings are locked 24/7 and require keycard access. Students are given a temporary access card before they receive their student ID with their photo on it. All temporary cards must be returned before students can receive their student ID.

Students must notify the Coordinator of Plant Operations immediately if their student ID card is lost or stolen. All lost or stolen student ID cards will be deactivated.

Students are required to pay a \$40.00 fee for a replacement student ID card.

Please contact the Coordinator of Plant Operations with any questions related to student ID cards or facility access.

Students are required to wear their MTSA student IDs during clinical rotations.
