STUDENT RIGHTS UNDER FERPA

- Students have the right to inspect and review their educational record within 45 calendar days of making a request to the school's Registrar. The Registrar will then forward the request to the Program Administrator who will facilitate a meeting of the educational record review. A record of the request for access will be kept in the student education record.
- Students have the right to request that the school correct records they believe to be inaccurate or misleading by submitting a written request for amendment to either MTSA's President, Executive Vice President, or Program Administrator within 7 calendar days of discovery. The student must identify the part of the record that they want changed and specify why it should be changed. If the school decides an amendment to the record is not warranted, MTSA will notify the student in writing of the decision stating they have a right to a formal hearing. "After the hearing, if the school decides not to amend the record, the... eligible student has the right to place a statement with the record setting forth his or her view about the contested information" (99.31).
- Students have the right to provide written consent before MTSA discloses personally identifiable information (PII) from the student's education records to third parties, except to the extent that FERPA authorizes disclosure without consent.
